

Celebrate our 22nd anniversary all summer long beginning on
June 2nd with 2-for Tuesdays:

3100 N. Stone Ave. Suite #114, Tucson, AZ 85705, (520) 628-1108, www.jonathansonline.com

2-for Tuesdays:

2 projects

2 dollars

2 fun!

June 2nd: Our summer takes off with making a book about *Five Little Astronauts* and getting kids talking about their emotions with a *How Are You Feeling?* book.

June 9th: Satisfy your sweet tooth with these delicious projects that will help students interact with popular literature. Join us as we cut, color and create “story telling pieces” for *The Very Hungry Caterpillar* and *If You Give a Mouse a Cookie* (laminating and magnets included).

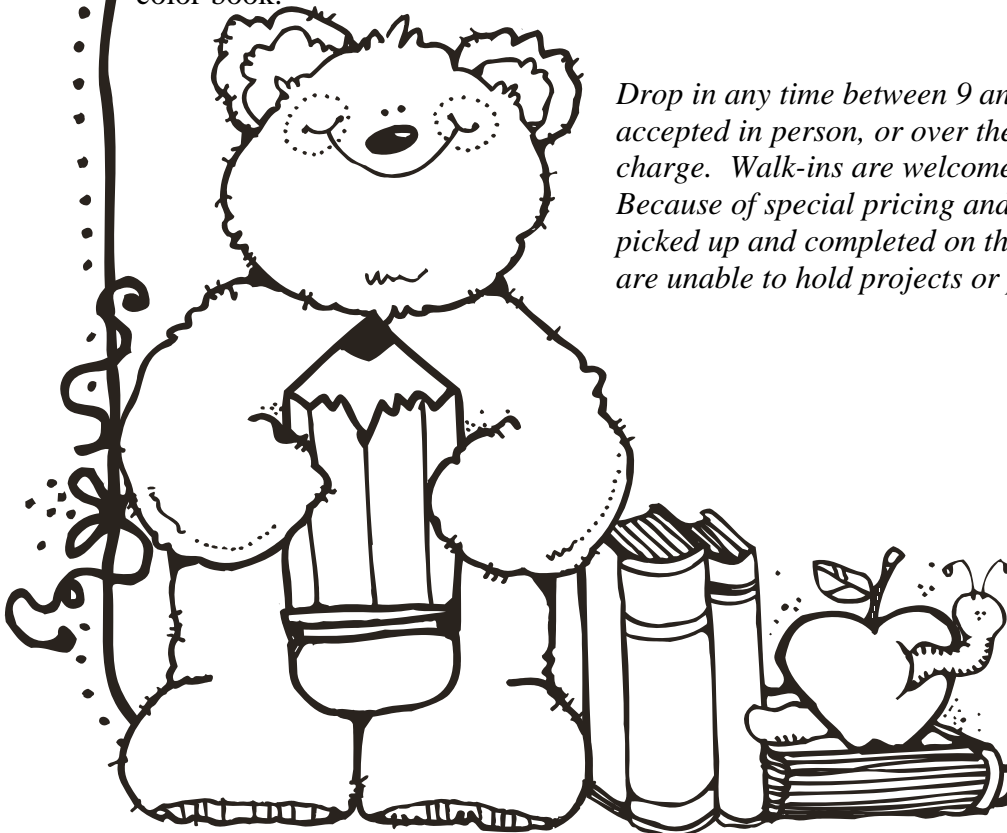

June 16th: Get in shape with us as we make a *What Shape Am I?* riddle book and a shape matching game using our brand-new **Stor-It File Folders** made by Teacher Created Resources!

June 23rd: Learn your colors as we sing along with and read Dr. Jean’s popular book *Color Train!* Hear Dr. Jean’s newest CD and create your very own color train word puzzle and matching train game! (free copy of Dr. Jean’s *Color Train* book included. \$3.49 value)

June 30th: These over-sized board games can be used to reinforce skills of any subject! Students of all ages will never get “board” as they play and learn with these bright and motivating games!

July 7th: Brighten your day by making a colorful oversized *Rainbow Rhyme* book and smaller color book.

Drop in any time between 9 and 11am! Reservations are accepted in person, or over the phone with a \$10 minimum charge. Walk-ins are welcome but supplies are limited. Because of special pricing and supplies, projects must be picked up and completed on the morning of the event. We are unable to hold projects or provide refunds.

Summer Fun and Workshops

Positive Classroom Discipline with Arnie Bianco

Sat. June 6 9:00-11:00am

Retired principal, author and workshop leader Arnie Bianco will give you tips to help you manage classroom behavior in a positive, practical way. Included will be Arnie's 100 strategies and techniques guide. Arnie's workshops are motivating, insightful and a lot of fun. You're class will be inspired by the "New You".

All Grades \$17.00

Science Story time with Meg Balaconis

Sat. June 20 8:30-10:30am

Be a wild adventurer and join Meg on an expedition! She will highlight five popular children's books and demonstrate how they can be extended to teach science standards. You will be actively involved in experiments, games, crafts and impromptu acting.

PreK-K (can be geared higher) \$12.00

Smiles for Survival with Arnie Bianco

Sat. June 27 9:00-11:00am

The "Smiles for Survival" workshop presents a refreshing approach to the challenges and frustrations that confront today's teachers. This unique and entertaining session is highlighted by a number of humorous classroom and relational cartoons that can be best described as a *Cartoon Network for Teachers*. The workshop is designed to lift teacher spirits by providing survival strategies in the areas of discipline, instruction, professional and personal relationships. Teachers will also be asked to share their success experiences (home runs) with the group.

All Grades \$17.00
